Stratus Int'l. Contracting Co.

Stratus Int'l. Contracting Company is the first established company of the Group, with 35 years of successful performance and implementation of different projects in Iran, Middle East, CIS, Africa and Latin America.

Stratus is a multi-disciplinary contracting company supplying *first class* EPCM services (Engineering, Procurement, and Construction Management) in various projects such as:

- ✧ Airport, road, tunnel, bridge, railway, etc.
- ✧ Dam, irrigation, waste water and other water works
- ✧ Buildings of different types of residential, commercial, recreational, educational, etc.
- ✧ Oil, gas, petrochemical and other industrial installations

www.samanehstratus.com

Stratus Int'l. Contracting Co.

Since 1994, undertaking construction of a road project in Pakistan, Stratus became pioneer in export of engineering and technical services.

In 1999, Stratus was awarded "Exemplary Exporter of the Year" -the most remarkable prize in contracting industry - from Mr. President Khatami.

STRATUS Construction Co.

21st of October of each year is celebrated as "National Export Day". It is a day for insight manifestation of export, day for blossoming of the national economy; day for development of the export mentally; day for national determination for export; day of appreciation of the exporters; day for selection of the Iranian workers in the international trade area; day of introducing of those who have struggled to spin the wheels of the economy of the country...

Now, at the threshold of "The Third Economic, Social & Cultural Development plan of Islamic Republic of Iran" that has spelled out noble targets for the country's non-oil export development through adopting "Export license policy", your company has been selected as "Exemplary Exporter" of the year 1999.

We hope that the community of the producers and exporters of the country shall make every effort to fulfill the objectives of the mentioned plan.

Since this selection has been made in accordance with "By-law for Encouraging of the Exemplary Exports", you are hereby entitled to enjoy the privileges and facilities foreseen in the Cabinet's written authorization No. H20077140948 dated October 19th, 1998.

Seyed Mohammad Khatami
President of Islamic Republic of Iran

Our Keys to Success

- By experience, we learnt how to combine local opportunities with int'l. know-how to protect and increase our market share in contracting industry.
- We have our expertise and well-trained executives who are specialized in their own professions.
- The technology, equipments and materials used in our projects are from the best ones.

We are glad our clients entrust their projects to us for these many reasons.

www.samanehstratus.com

Our Vision

We are determined to continue our uptrend success by:

- **Employing extra workforces for new projects.**
- **Training workers with more new technologies.**
- **Expanding our Export and International Dept.**
- **Maintaining our modernized equipments.**
- **Expanding our technical and engineering services.**
- **Exploring more international markets.**

www.samanehstratus.com

Our Mission

We are decisive in delivering qualified and specialized EPCM services to the global markets in order to improve the human being's living condition by valuing:

- Quality excellence and customer satisfaction
- Creating an appropriate work environment
- Improving the work health and safety
- Protecting the environment and species
